

CURICULUM VITAE

October 2009

Anne Katrine Geelmuyden
Hellinga 10A
1430 Ås
Norway

Personal data:

Birth date: Aug. 12th, 1957
Citizenship: Norway, U. S. A.
Languages: Fluent in Norwegian, English, German and French, orally and written.
Marital status: Married, 2 children: 8 and 19 years old.
Address: Hellinga 10A, 1430 Ås

Education:

1992: Pedagogy at the Agricultural University of Norway (AUN)
1989: Completed Dr. scientiarum (PhD) degree in landscape architecture at the Agricultural University of Norway
1987: Various courses in landscape architecture, architectural theory and geography at the University of Washington, Seattle, U. S. A.
1986: Course in Philosophy of Science (AUN)
1982: Master of landscape architecture degree at AUN (average grade 1.98)
1976: Completed «baccalaureate» (“Abitur”) degree at Städtisches Mädchengymnasium Düren, Western Germany

Professional experience after master degree:

1999 – now Professor of landscape architecture at the Department of Landscape architecture and Land Use Planning, AUN

- Responsible for courses in planting design and landscape analysis on bachelor level and Landscape architecture theory on master level.
- Tutors 3-5 masters-theses per year
- Has tutored two PhD-students: 1997: Hong, Sunki: Meaning in Landscape. Dr. Scient.- thesis 1997:17, NLH (AUN). 2008: Samar Nazer: “Hortus Conclusus: Change, perception and meaning in Artas Valley/Palestine”
- Presently tutoring two PhD-students.
- Head of the study-program in landscape architecture 1998-2000
- Elected as one of the board members for AUN (NLH-styret) for the period 2002-2006.

- From 2003: Member of the PeriScape-group of 6 researchers from Sweden, Hungary, France, Portugal, Slovenia and Norway, who focus on a contextual understanding of knowledge in landscape planning and who accept a value-laden rather than a value-free scientific approach to landscape. Group leader: Prof. Roland Gustavsson, SLU, Sweden. The group has organized 5 Erasmus-funded international and interdisciplinary landscape planning workshops (3 under the heading “Landscape ambassador workshop”).
- Member of a Nordic Network for Landscape research together with Landscape research group (LRG), UK. Network leader: Prof. Kenneth Olwig, SLU, Sweden. Convened a research conference on “Landscape as Common Good”. See <http://www.butterpaper.com/vanilla/comments.php?DiscussionID=941&page=1>
- From 2007: Chair of the landscape architecture section of the department, with responsibility for 35 staff and two study programmes with 250 students.
- Member of scientific committees or opponent in the evaluation of PhD-dissertations:
 - 1991: PhD. Patrick Grahm, Swedish Agricultural University, (SLU); Topic: “The meaning of parks”
 - 1998: Dr. philos. In geography, Gjermund Wollan, Norwegian University of Science and technology: “Culture, tourism, society”.
 - 2000: Dr. polit. in geography, Karoline Daugstad, Norwegian University of Science and technology (NTNU): “Between romanticism and realism. The summer farm landscape as ideal and reality”.
 - 2001: PhD. (landscape architecture), Eva Gustavsson, Swedish University of Agricultural sciences (SLU): “Garden ideals and views of knowledge. A study in the expression of meaning, with examples from the work of Gösta Reutersvärd and Ulla Molin”
 - 2006: PhD. (landscape architecture), Swedish University of Agricultural Sciences, Swantje Oostra: “Concerning the grove. Contribution to knowledge concerning the concept grove and the grove as phenomenon”.
 - 2007: PhD. (architecture), Royal Institute of Technology, Stockholm, Sweden (KTH), Catharina Gabrielsson: “ To make a difference: Public Space as a medium for art, Architecture and Concepts of the Political”.
 - 2008: Dr. lis. Sweden (KTH), Elisabeth Tornberg: “Gestalttningsprogram I stadsutvecklingsprojekt”.
 - 2009: PhD, Sweden (SLU), Anna Jakobsson: „Experiencing landscape while walking. On the interplay between Garden design, sensory experience and medical spa philosophy at Ronneby Spa.“

- 1988 - 1999: Assistant professor at the Department of Landscape Planning, AUN
- 1985 - 1988: Ph.D.-student and research and teaching assistant at the Department of Landscape Planning at AUN
- 1984 - 1985: Various research assistant jobs at the Dept. of Landscape Planning at AUN
- 1984 (4 months): Employed as a landscape architect in the firm of Landscape architect Bjarne Aasen, in Ås, Norway (Main work: Pedestrian street in Ski)
- 1982 - 1984: Employed as a landscape architect in the firm of Landscape Architect Hans Kjærem in Trondheim, Norway. (Main work: Ilaparken and pedestrian streets in the city of Trondheim)
- 1982 (3 months): Employed as landscape architect in the parks department of Trondheim, Norway.
