

# **Olav Grøterud**

Professor emeritus

## **Contact information**

e-mail: Olav.groterud@umb.no

tel: +47 6496 5582, 98607504,22437088

Department of Plant and Environmental Sciences

Norwegian University of Life Sciences, Norway

Visiting address: Jordforskbygget, Jo 206

Postal address: UMB, Box 5003, 1432 Ås

## **Research interest**

Limnology, water pollution, Grander technology

## **Current research**

Side effect of liming based on four dimictic lakes in Southern Norway. A model for estimating critical loads of acidifying components to lakes based on eight lakes in Southern Norway. Study of Grander technology of the effect on alga.

## **Seminar**

Siktedypet i Årungen. PURA working seminar 5.11.08, oral presentation.

## **Others**
