

CURRICULUM VITAE

Siri Eriksen
Associate Professor
Department of International Environment and Development Studies (Noragric)
Norwegian University of Life Sciences (UMB)
1432 Ås
Norway

Personal history

Name: Siri Hallstrøm Eriksen Born: December 5, 1972
Place of birth: Lørenskog, Norway Nationality: Norwegian
Tel/fax: +47 92662559/ +47 6496 5338 Marital status: Married
Email: siri.eriksen@sgeo.uio.no / siri.eriksen@umb.no

ACADEMIC AND ADMINISTRATIVE BACKGROUND

Academic qualifications

Ph.D. 2001 Climatic Research Unit, School of Environmental Sciences, University of East Anglia, Norwich. Thesis: *Responding to Global Change: Vulnerability and Management of Local Agro-ecosystems in Kenya and Tanzania*. Defended August 2000.
BA 1996 Development geography major, economics and demography minor.

Employment/research visits

January 2010 – present. Associate professor. Department of International Environment and Development Studies (Noragric) Norwegian University of Life Sciences .
February 2005 – December 2010. Postdoctoral researcher. Department of Sociology and Human Geography, University of Oslo.
February – August 2006, Visiting researcher, 6 month stay at University of KwaZulu-Natal, School of Environmental Sciences, Geography division, Durban, South Africa.
Jan 2001 – Jan 2005. Senior Research Fellow. Centre for International Climate and Environmental Research – Oslo (CICERO).
2001 Senior Research Associate (20%). School of Environmental Sciences, University of East Anglia.
2001 Research Fellow (20%). The African Centre for Technology Studies, Nairobi
1996 and 1998 Research assistant (hour based). Norwegian Institute of Urban and Regional Research, Oslo.
1996 Research assistant (hour based). NOVA (Norwegian Social Research), Oslo.
1995-1996 Research assistant (hour based). Statistics Norway, Oslo.
1993-1994 and 1995-1996 Instructor in computer laboratory and word processing (hour based). Information Technology Section, Faculty of Social Sciences, University of Oslo.
1994-1995 Research intern. The African Centre for Technology Studies, Nairobi.

Awards

December 2007 Nobel Peace Prize awarded to the Intergovernmental Panel on Climate Change (the IPCC, approximately 2500 scientists) jointly with Al Gore. I have participated in the IPCC from 2005 to 2007 as reviewer of two report chapters and the synthesis report of the Fourth Assessment Report (published 2007).
December 2005 Zayed Prize. The UN secretary-general Kofi Annan was given the environmental award, the Zayed Prize. The 1,360 scientists who contributed to the Millennium

Ecosystem Assessment share the second element of the Zayed prize worth \$300,000, for Scientific and Technological Achievement.

Recent Research Grants and Project Participation

- 2009 Grant: participation in “Village scale solar systems for development: Transfer of social and technological innovations between India and Kenya” led by Department of Sociology and Human Geography, University of Oslo. The Research Council of Norway
- 2007 Leader of sub-project 2: The Process of Local Adaptation: Institutional Learning, Networks and Local Knowledge in the project “Responding to Climate Change: The Potentials of and Limits to Adaptation in Norway (PLAN)” (2007-2010)
- 2006 EU funding: COMPETE Competence Platform on Energy Crop and Agroforestry Systems for Arid and Semi-arid Ecosystems - Africa
- 2006 The Nordic Africa Institute Travel Grant, supporting fieldwork in Mozambique 2006-2008.
- 2005 Grant: Poverty and climate change adaptation: critical linkages. Norwegian Agency for Development Cooperation (NORAD)
- 2004 Grant: Climate Adaptation as a Livelihood Struggle: Conflict and Vulnerability among Dryland Populations in Kenya. The Research Council of Norway.
- 2004 Grant: Adaptation to Climate Change in the Construction Industry. The Norwegian Building Research Institute.
- 2003 Grant: Norwegian Development Cooperation and Climate Change Adaptation: An Assessment of Issues, Strategies and Potential Entry Points. Norwegian Agency for Development Cooperation (NORAD).
- 2002 Grant: Economic Change and Climate Vulnerability in Southern Africa. Co-PI with Robin Leichenko and Karen O’Brien. World Bank.
- 1999 Ph.D. stipend, 9 months. The Research Council of Norway..
- 1998 Stipend. Fondet “Nationalgaven til Christian Michelsen”.
- 1997-98 Ph.D. support. Nansenfondet og de dermed forbundne fond, Pastor Kallevigs legat til vitenskapens fremme slått sammen med Professor Fredrik Petersons fond til vitenskapens fremme, the Dudley Stamp Memorial Trust, and Lise and Arnfinn Heje’s fond.
- 1997-98 Student stipend. The Research Council of Norway.
- 1996 Chevening Scholarship. The British Foreign and Commonwealth Office.

Administrative experience

Project leader for the following projects:

- Postdoctoral project at the Department of Sociology and Human Geography, University of Oslo. “Facing global change in marginal areas: The use of diverse biological resources in household adaptation strategies” (2005-2009).
- Leader of sub-project 2: The Process of Local Adaptation: Institutional Learning, Networks and Local Knowledge in the project Responding to Climate Change: The Potentials of and Limits to Adaptation in Norway (2007-2010)
- COMPETE - Competence Platform on Energy Crop and Agroforestry Systems for Arid and Semi-arid Ecosystems - Africa (EU project) from 2007.
- Poverty and adaptation to climate change: critical linkages. Carried out in collaboration with PIK-Potsdam and CICERO. Funded by NORAD (2006-2007).
- Climate Adaptation as a Livelihood Struggle: Conflict and Vulnerability among Dryland Populations in Kenya. The Research Council of Norway. Collaboration with Ethnographic

Museum, University of Oslo, King's College, London, the African Centre for Technology Studies, Nairobi, and Kenya Forestry Research Institute (Muguga) (2004-2007).

- Adaptation to Climate Change in the Construction Industry, a collaborative project with Norwegian Building Research Institute and CICERO (2004-2007).
- The Sustainable Management of Southern African Savannas, editing a special issue/section of the journal *Environmental Science and Policy* (University of Oxford), with H. Watson, University of KwaZulu-Natal).
- Economic Change and Climate Vulnerability in Southern Africa. Collaboration with Rutgers University, New Jersey and Eduardo Mondlane University, Maputo. 2003.
- Development Cooperation and Climate Change Adaptation: An Assessment of Issues, Strategies and Potential Entry Points. Norwegian Agency for Development Cooperation (NORAD). 2003.
- Responding to Global Change: Vulnerability and Management of Local Agro-Ecosystems in Kenya and Tanzania. PhD project. 1996-2000.

Temporarily project leader on three projects while a colleague was on leave September 2001-August 2002:

- Socio-economic impacts of climate change in Norway: A pilot study
 - Socio-economic impacts of climate change in Norway
 - Climate change vulnerability in Norway: Socio-economic perspectives on policies and impacts
- These projects were funded by the Research Council of Norway and involved collaboration with PROSUS, Western Norway Research Institute, SNF, Norwegian Institute of Regional and Urban Studies, and the Meteorological Institute.

Committees and appointments

May 2008 – present. Editorial board of *Journal of Climate and Development*, Earthscan.

November 2005-present. GECHS Associate. Global Environmental Change and Human Security.

2006 and 2007 Visiting researcher, University of KwaZulu-Natal, Durban.

2001-2007 Visiting Research Fellow. Climatic Research Unit, University of East Anglia.

2003 – 2007 Programme council for the Norwegian Building Research Institute led project Climate 2000 (Rådet for Klima2000).

2002 Organising committee for the Research Council of Norway international conference on Environment and Poverty.

1997-2001 Visiting research associate. The African Centre for Technology Studies.

Current participation in networks

COMPETE – Competence Platform on Energy Crop and Agroforestry Systems for Arid and Semi-arid Ecosystems - Africa (EU project) from 2007.

The Southern African Vulnerability Initiative, coordinated by the Department of Geography, Carleton University of Ottawa and with CICERO, ISS and HEARD as main collaborators.

The Southern African Savannas Network, coordinated by Imperial College London and collaborating with institutes in South Africa, Botswana, Zimbabwe, Italy and the US.

Participation in CLACC (Capacity strengthening in the LDCs for adaptation to climate change), coordinated by IIED (International Institute for Environment and Development), London.

Participation in international assessments

Reviewer (2005-2007) of the Intergovernmental Panel on Climate Change Fourth Assessment Report (Cambridge University Press, UK):

- Working group II, Fourth Assessment Report (2007): Chapter 9 - Africa
- Working group II, Fourth Assessment Report (2007): Chapter 17 – Assessment of Adaptation Practices, Options, Constraints and Capacity.
- Fourth Assessment Report (2007): Synthesis Report

Co-lead author of the Millennium Ecosystem Assessment Report (2005): Chapter 6. Vulnerable Peoples and Places. In Hassan, R., Scholes, R. and N. Ash, eds. *Ecosystems and Human Well-Being. Volume I. Current State and Trends. Findings of the Condition and Trends Working Group*. Island Press, Washington.

Arctic Climate Impacts Assessment (2004), consulting author in Chapter 17: Climate change in the context of multiple stressors and resilience In *Impacts of a warming Arctic*. Cambridge University Press, UK

Reviewer of the Human Dimensions of Climate Change report for the International Commission on Climate Change and Development (2009).

Teaching and supervision qualifications and experience

Teaching skills course undertaken at University of Oslo, basic expertise *pedagogisk basiskompetanse* completed October 2008 (100 hrs).

Trainer at International Human Dimensions Workshops training seminar for postgrads, doctoral students and postdoctoral researchers, “Sustainable Adaptation to Climate Change”, 12-15 October 2008, New Delhi, India

Coordination, lecturing and development of curriculum for SGO2301 Environment and Society (undergraduate course), University of Oslo.

Lecturing on SGO1001 Introduction to Geography (undergraduate course), University of Oslo.

Lecturing at Climatic Research Unit, University of East Anglia. Climate Change MSc course, 6 lectures (1996-2000).

Guest lectures at masters course at University of KwaZulu-Natal, South Africa, 2006 and 2007

Guest lecture at masters course at Noragric, the Department of International Environment and Development Studies, Norwegian University of Life Sciences, Ås. 4. March 2009.

Faculty of Social Sciences, University of Oslo. Introductory courses in word processing and operating systems (1993-1994 and 1995-1996).

Supervision of 2 masters students (both completed) at the University of Oslo.

Supervision of 1 PhD student (from January 2008) at the University of Oslo.

Supervision of Visiting Fellow, CLACC Fellowship Programme (Capacity strengthening in the LDCs for adaptation to climate change) at CICERO, Victor Orindi (2004).

Examinor for undergraduate and postgraduate human geography courses at University of Oslo (SGO 1001, SGO 2301, SGO 4301 Master’s course on Global Environmental Change).

Examinor for postgraduate course at University of East Anglia, 1999/2000.

Lecturing on course regarding climate change at Changemakers (youth NGO) summer course. Gave lecture on vulnerability to climate change (June 2007).

Lecturing on course in integrated water management in development. Klimaendringer og vann. Vannforvaltning for utvikling. 12.-15. march 2002 and 15.-16. April 2002, Bolkesjø Hotel, Telemark. Gave lecture on climate change and water resources.

Lecturing on course in Sustainable Development for Local Politicians. Gave lecture and leading discussions regarding climate change. Ålesund (2003).

Examination of theses

Examination of PhD thesis, 2009. J.E. Finnvold. The parents’ story. Socio-spatial variation in health care in Norwegian children with asthma. Faculty of Social Science, University of Oslo.

Examination of PhD thesis, 2008. H. Haaland. Narrating history, negotiating rights. A discussion of knowledge, land rights and matters of identity in Madjadjane, Mozambique. Noragric, the Department of International Environment and Development Studies, Norwegian University of Life Sciences, Ås.

Examination of PhD thesis, 2006. Z.A. Ombe. Environmental Change in South Central Chibuto, Southern Mozambique 1965-2000. Geography, University of the Witwatersrand, South Africa.

Examination of MA theses (3) at Department of Sociology and Human Geography, University of Oslo (2008-2010).

Workshop/conference leadership

Leading 2 panels of presentations at the GECHS synthesis conference "Human Security in an Era of Global Change" June 22-24, 2009, at the University of Oslo, Oslo.

Leading 2 panels of presentations with L.O. Næss. "Sustainable adaptation" at the IHDP Open Meeting 2009, 7th International Science Conference on the Human Dimensions of Global Environmental Change, 26-30 April 2009, Bonn, Germany.

Leading of workshop: Adapting to climate change in an environment of conflict. A policy workshop organised by the African Centre for Technology Studies and the University of Oslo. Held at the World Agroforestry Centre (ICRAF), Gigiri, Nairobi, October 24, 2006.

Leading of "Workshop on climate change and poverty", Hotel Opera, 9-10 January 2006, with Richard Klein, Stockholm Environment Institute/Potsdam Institute of Climate Research.

Leading 2 panels of presentations with P. Kamari-Mbote. "Environmental change, conflict and vulnerability in Africa" at 6th OPEN MEETING of the HDGEC Research Community "Global Environmental Change, Globalization and Human Security: New Challenges for the 21st Century" Bonn, Germany 9-13 October 2005.

Leading regional workshop. 2005. Vulnerability to Climate Stress: Local and Regional Perspectives 27-28 Jan. 05, ACTS/ICRAF, Nairobi.

Leading project workshop. 2004. Adaptation to climate stress as a livelihood struggle, at the African Centre for Technology Studies, Nairobi, March 2004

Charing conference on climate change in Norway, 2001, Holmenkollen Park Hotel, Oslo, organized by CICERO.

Leading workshop 9-10 September 1999. Household coping with drought and use of indigenous plants in Kitui. Climatic Research Unit, Norwich, African Centre for Technology Studies, Nairobi, and Kenya Forestry Research Institute, Muguga.

Leading workshop 13-14 September 1999. Household coping with drought and use of indigenous plants in Same. Climatic Research Unit, Norwich, African Centre for Technology Studies, Nairobi, and UNDP/GEF East African Cross Border Biodiversity Project, Arusha.

Languages

Fluent: Norwegian and English (bilingual)

Conversational: Portuguese and Swahili

Reading: German

Intermediate Diploma in Portuguese as a Foreign Language (Diploma Intermédio de Português Língua Estrangeira (classificação suficiente) 27 July 2005). Universidade de Lisboa. Centro de Avaliação de Português Língua Estrangeira (CAPLE).
