- Committee has been appointed by the Department of Academic Affairs
 Committee to be appointed. Expected date: _____

Your PhD period

To review your PhD period and ensure that your certificate – and reported statistical data – will be correct, please take the time to look into your PhD profile in the student database (FS) assisted by (one of) the administrative PhD contact person(s) at your department. Please check data on courses, supervisors, area of specialization and the “time account”. Ask for a copy of the FS report “Candidate report Plan of Study” (FS990.001) as a basis for this review.

The PhD student may keep the original of this form, one copy to the department and one copy should be delivered to the Department of Academic Affairs with the 2 copies of the thesis.
